SAP AG – Interface Certification Agreement

Dear David Eyes:

Thank you for your interest in the technical services offered by the regional SAP Integration and Certification Centers. Please find enclosed two copies of the "SAP AG - Interface Certification Agreement", which governs the formal aspects of the interface certification service.

We hereby kindly ask you to return the two signed originals together with a purchase order – PAYABLE TO SAP LABS, PALO ALTO, CA - for the anticipated amount (certification fee, possible travel costs, extra consulting days needed, etc.) to:

SAP AG
Christina Mildenerberger
TECHDEV ICC
Neurottstr. 16
D-69190 Walldorf / Germany

Once we receive your signed copies of the attached agreement and your purchase order we will return one countersigned copy to you for your records. The interface certification process may then commence and we will assign a consultant to your certification project.

Please be aware that SAP will only accept agreements that are signed within 3 months of the issue date. In order to ensure an equal treatment of all our vendors, the enclosed agreement shall also grant all vendors the same rights and obligations regarding the interface certification by the SAP Integration and Certification Center. Please note that, therefore, no major changes to this document can be accepted. Thank you for your understanding and cooperation with these formalities.

Should you have any questions please do not hesitate to contact me via email (martha.schmidhauser@sap.com) or call 650-849-2661.

Sincerely,

Martha Schmidhauser
